OUR MISSION

dKomplex, Inc. is a niche technology advisory service and organizational development firm. We help clients develop and sustain a high performing, learning organization by leveraging cutting-edge Microsoft technologies and behavior science methodologies. We strive to provide social change organizations excellent service and transformative results.

HOW WE CAN HELP YOU

1. Guide your organization through Microsoft Office 365 for Nonprofits qualification program
2. Develop, design and deploy Dynamics 365 to fit your culture and operating tempo
3. Provide support via ongoing system administration, onsite experiential learning training and develop bespoke eLearning tools

HOW CAN MY ORGANIZATION BENEFIT FROM USING DYNAMICS 365?

- Engage donors and volunteers
- Empower your employees
- Optimize operations
- Innovate for impact
- Manage grants pipeline
- Manage and monitor grant contracts

TESTIMONIALS

"Your work is phenomenal! Your team understood our requirements very well and I am excited to use Dynamics 365 over our current system. We look forward to continuing working with you."

Alexander Fonseca

*Federal Emergency Management Agency
HR Specialist*

"The workshop got everybody thinking and by thinking it made everybody want to do the work. It was helpful"

Ben Edson

VariQ Founder and CEO VariQ Corporation

"The quality of service we receive from dKomplex is outstanding. Their requirement capturing and training sessions have been highly valuable and resulted in more efficient processes, technology adoption and team cohesion."

Brian Edwards

VariQ VP Civilian Sector
